

**LODI CITY COUNCIL
SHIRTSLEEVE SESSION
CARNEGIE FORUM, 305 WEST PINE STREET
TUESDAY, SEPTEMBER 24, 2019**

The Informal Informational Meeting ("Shirtsleeve" Session) of the Lodi City Council of Tuesday, September 24, 2019, was cancelled due to lack of a quorum. An informal presentation was made on the topic - Receive Information and Visit The Village: Adult Developmental and Community Center at Lodi Transit Station Parking Structure Office Space, Located at 25 East Pine Street - with background materials on file in the City Clerk's Office. In addition to receiving a tour of The Village by Kathy Piazza, Matt Teresi provided a tour of the Lodi Adopt-A-Child facility at 100 East Pine Street. Ms. Piazza and Mr. Teresi shared the vision of opening a second center to provide service to some of the individuals who will be displaced by the closure of the Lodi Activity Center on Cherokee Lane, which is run by the Lodi Unified School District. The hope is to utilize space at the Lodi Adopt-A-Child facility if the City is willing to entertain the concept through its lease agreement for the site. City Manager Schwabauer explained that, the lease for the building expires in May 2020, and because there is more than one party interested in the facility, the City will prepare a Request for Proposals, the process for which could start as early as November and conclude in January 2020.
