AGENDA ITEM B-01

CITY OF LODI
COUNCIL COMMUNICATION

AGENDA TITLE:          Parks, Recreation and Cultural Services Department’s Annual Update
MEETING DATE:         January 8, 2019
PREPARED BY:          Parks, Recreation and Cultural Services Director

RECOMMENDED ACTION: Receive the Parks, Recreation and Cultural Services Department’s annual update.

BACKGROUND INFORMATION: Parks, Recreation and Cultural Services (PRCS) is pleased to provide an annual update to the City Council on a variety of matters, ranging from financial results to facility and program improvements.

PRCS had another year of positive net revenue in the fiscal year ending June 30, 2018, increasing the operating fund balance by $248,781 to $1,044,222. This represents a swing of $2,426,790 in six years, starting with a negative fund balance of $861,843 on June 30, 2012 and taking into account $520,725 in fund balance transfers to capital projects during that time.

The Department’s improved financial performance resulted in significant improvements to our park system, including the first city-funded playground replacement in a generation. In addition, PRCS broadened programming with a successful return of a summer camp program.

PRCS staff will present additional details at the meeting about the past fiscal year, accomplishments since July 1, and a preview of potential initiatives for 2019.

FISCAL IMPACT:        None by receiving this report.
FUNDING AVAILABLE:    Not applicable.
