

## City Manager's Weekly Update – May 15, 2020

**Retirement in PD:** Teresa Fulwiler retired May 14<sup>th</sup> after a 30-year career with the Lodi Police Department. Teresa joined the department on May 14, 1990 as a Dispatcher/Matron (thank goodness we changed the title to Dispatcher/Jailer). She answered the business line, 9-1-1 calls, assisted police officers via the radio, and tended to the inmates. She promoted to Lead Dispatcher in 2001 and was later named Dispatch Supervisor. As the supervisor, she ensured the dispatch center was staffed, ran smoothly, and the jail met and exceeded all state mandated regulations. During her tenure, she received 9 letters of appreciation and 5 letters of commendation. The most memorable letter of commendation came from a citizen who found herself being followed by a strange man while visiting a gravesite. Once she told the man to move away, he called out to another man and she soon found herself surrounded by two men. Her only line of defense was her cell

phone. Teresa answered the 9-1-1 call that day. She maintained communication which made the victim feel a little safer until officers arrived on scene. The victim wrote “I owe my safety to Teresa and the police officers who rushed to my aid.” Thank you, Teresa, for an exemplary career and for always representing the City and the Lodi Police Department with the utmost professionalism. Congratulations on your well-deserved retirement! You will be missed!

**PRCS Registration for Summer Day Camp:** Lodi Kids Camp summer day camp program registration is now OPEN (program begins June 1) to essential workers. The City's popular summer camp program will offer childcare from 7am to 6pm Monday through Friday for ages 4.5-15. As many parents are beginning to return to work, it is essential that the city begin accommodating the childcare needs of the community.

**Accounting Staff Gets Some Competition:** Congratulations are in order as we received notice that the review of the City of Lodi fiscal year 2019/2020 budget submission had been completed, and our City had been awarded the Government Finance Officers Association Distinguished Budget Presentation Award. Congratulations again to Susan Bjork and Sandra Brage on receiving this prestigious award highlighting Lodi's exemplary level of knowledge and dedication that is put into the budget each year. Most of you are aware accounting staff has received this recognition every year it's become available. Thank you for all the hard work.

Lodi, CA 95241

**Account Summary**

Source	Balance as of 4/1/2020	Contributions	Earnings	Expenses	Distributions	Transfers	Balance as of 4/30/2020
PENSION	\$14,779,947.76	\$0.00	\$1,069,638.44	\$6,336.39	\$0.00	\$0.00	\$15,843,249.81
<b>Totals</b>	<b>\$14,779,947.76</b>	<b>\$0.00</b>	<b>\$1,069,638.44</b>	<b>\$6,336.39</b>	<b>\$0.00</b>	<b>\$0.00</b>	<b>\$15,843,249.81</b>

**Lodi Library is a COVID-19 Testing Site:** The testing is open to anyone and is being administered by OptumServe at the Lodi Library five days per week from 7 am to 7 pm. Should employees or the public wish to be tested and not have health insurance, the service will be provided at no cost. Registration for appointments is managed by OptumServe through their website <https://lhi.care/covidtesting> or by calling (888) 634-1123. All City staff, family and friends are encouraged to participate in the free testing. Once you log in, you will see your location twice, as each week is created separately as seen below:

**Water Meter Project Phase 8:** As the last phase of the City’s residential water meter program comes to an end, the contractor will be connecting the new water services to residences. To perform this work, it will be necessary to shut the water supply off to each residence for a period that ranges between 30 minutes and 2 hours. Customers will receive a shut off notice placed on the front door at least 48 hours in advance of the planned shutoff. Work requiring the water shut off is scheduled to start Tuesday May 26th. Public Works staff sends their appreciation for your patience and understanding as they wrap up this important project.

**PD Operations:** The charts below shows statistics in call volume for the police department during the month of April:

CALLS FOR SERVICE	March	April	
CALLS FOR SERVICE	2,750	2,892	5.2%
OFFICER INITIATED	1,209	639	-47.1%
REPORTS TAKEN	565	72	-87.3%
TRAFFIC CITATIONS	281	147	-47.7%
T/A WITH CASE #	20	20	0.0%
T/A ALL (CAD & CASE#)	82	68	-17.1%
TRANSIENT RELATED	289	337	16.6%
COVID-19 Related	22	134	509.1%

**PD and AMR Collaboration:** Officers responded to 1108 S Sacramento St on an AMR request for assistance for an unknown medical patient who was becoming combative. On scene, an adult male was contacted by AMR staff, and during the initial evaluation the male used his hand to slap the Paramedic's sunglasses knocking them from her face. Officers immediately engaged the male and gained compliance through control holds to stop any further assault. The male was ultimately placed into handcuffs once on the ground and was further evaluated for medical need prior to being transported to the Lodi City Jail for booking. The male suspect was booked without incident and was later released on a citation.

**Assault with Deadly Weapon Arrest:** Police Detectives developed probable cause to arrest 28 year old Marcos Martinez for his involvement in a stabbing that occurred on April 28, 2020. Martinez was arrested in public without incident and a search warrant was executed at his residence of 300 block of N Stockton Street. Two firearms, ammunition, and gang indicia were found in both Martinez' bedroom and common areas of the residence. Martinez was booked into the San Joaquin County Jail for Assault with a deadly weapon, great bodily injury enhancements, gang enhancements, and being a convicted felon in possession of firearms and ammunition.
