

Water Conservation Rebate Program

Rebate Application

Buyer's Name: _____ Account Name: _____

Mailing Address: _____ Address Installed: _____

Phone: _____ Purchase Date: _____

Water Service Account Number: _____ (Rebates for Water Service Customers Only)

Please **attach your original sales receipt** and complete the application information to receive a rebate for the purchase of any water conservation items. *Qualifying purchase receipt(s) must be dated within 120 days of rebate application submittal.* Rebates are subject to annual program funding and will be paid on a first come, first served basis. Commercial rebates limited to a maximum of 5 items. After the application is received and approved, a water conservation representative will contact the applicant to perform a water audit and verify that the rebate item has been installed.
